(Itinerary subject to change)

DAY 1 - MONDAY, SEPTEMBER 9

We depart Newark at 8:00am via motorcoach and drive directly to Corning, the charming southern gateway to the Finger Lakes. Our first stops are lunch and a walking tour of the Gaffer District where you get acquainted with the town’s heritage. Next we visit the Erlacher Collection, known for its collection of fine Steuben and glass art. Then on to a tour of the Rockwell Museum, a Smithsonian affiliate and described by Frommer as "one of the best-designed small museums in the Northeast." The collection includes a mix of contemporary Native American art with traditional bronze sculptures, landscape paintings and other works that embody America. Its artwork prompts you to think critically and challenge your conceptions of the great American West and the people who live there. We then check into the Radisson Hotel, in the heart of Corning’s historic center, for a two-night stay. We enjoy dinner in the historic downtown.

DAY 2 - TUESDAY, SEPTEMBER 10

After breakfast, our day starts at the Corning Museum of Glass, with its collection of 35 centuries of glassmaking through nearly 50,000 objects—from a tiny glass portrait of an ancient Egyptian Pharaoh to larger-than-life contemporary sculpture. At the world’s largest glass museum we will watch a live Hot Glass demonstration and explore the Museum’s new Contemporary Art & Design Wing which is attracting visitors from all over the world. Steuben Glass Works was co-founded by Frederick Carter in 1903 in Corning, New York. In 1918, when WWI broke out, Steuben was bought by Corning Glass Works. We will view the world class Steuben collection, an introduction to our exhibition at the Newark Museum featuring The Thomas N. Armstrong III collection of Steuben Glass. After lunch in the museum café we drive to nearby Hammondsport a sweet small town at the base of Keuka Lake. Idyllic in every sense of the word, this charming village of 800 people is a world-class wine destination. We visit Pleasant Valley Wine Company, also known as Great Western Winery, a historic winery complex which consists of nine historic buildings. We return to Corning for dinner.

DAY 3 - WEDNESDAY, SEPTEMBER 11
We check out of the hotel and travel to Ithaca where we get acquainted with the city’s natural beauty. Enjoy the dramatic waterfalls that border the beautiful Cornell University campus and provide beautiful sites along its shores. We then traverse the famous Cornell Suspension bridge – a pedestrian bridge that is suspended 138 feet above the water, to downtown Ithaca’s own 135-foot waterfall. We tour the Herbert F Johnson Museum of Art at Cornell University and its collection of ancient and modern art in an I.M. Pei–designed building. Its collection includes two windows from Frank Lloyd Wright's Darwin D. Martin House, and more than 35,000 other works in the permanent collection. The Morgan Japanese Garden and Sculpture Court are added delights. After lunch in Ithaca, we visit a local gallery before we depart for home. We anticipate arriving in Newark at approximately 7:00pm.
